

# Welcome to Statesboro School of Dance's **NEW** online registration and Parent Portal!

Starting with the 2019-2020 season, we will be using Akada to manage online registrations, online payments, and our student database.

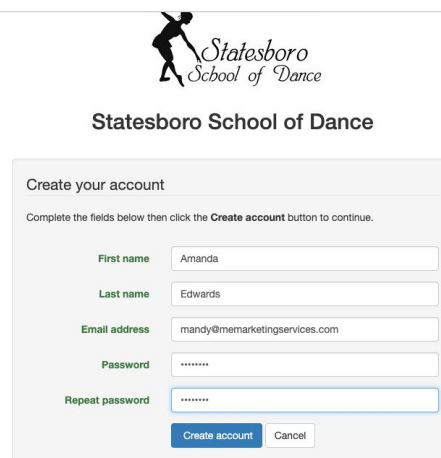

You can still register by downloading your child's class forms at <https://statesboroschoolofdance.com/registration/>, however if you prefer to do everything online (including recurring payments), please visit <https://bit.ly/SSODParentPortal>.

- When you visit the Parent Portal for the first time, click "Create or Activate Your Account"

On the pop-up, choose "If you've never danced with us before and would like to sign up, click here."

- This will have you create an account you can log in to access your child's classes, pay online, and get news from the studio.

- The next screen will prompt you to accept and sign the SSOD Participation Waivers.
